Teton Signs 30,000-SF Deal in Alpharetta

Industrial Contractor Expands to Corporate Campus Facility

Teton Industrial Construction Inc. signed a 30,000-square-foot lease at 6445 Shiloh Road in Alpharetta.

Built in 2001, the 53,131-square-foot facility is at Corporate Campus at The Meadows, a three-building office campus totaling 166,019 square feet. Jackson Oats Shaw acquired the campus a year ago with joint venture partner GE.

The lease takes the shell building to 70% occupancy after sitting vacant for the four years prior to Jackson Oats Shaw ownership. The lease term was not disclosed.

Teton Industrial Construction Inc. is a diversified industrial contractor with extensive experience in the oil and gas, petrochemical and refining, power and cogeneration, pulp and paper, and industrial gas industries. Teton is a member of the PCL family of companies, one of the largest general contracting organizations in North America.

Jeff Shaw of Jackson Oats Shaw represented the landlord in-house. Bilijack Bell of Wilson, Hull, and Neal brokered the deal on behalf of the tenant.
